						Eaton Badminton Championship 2025
23	24	25	26	27	28	1
		Y11 Guest Speaker Stephanie Cheah	Coffee Morning			

Year 9 CIE Checkpoints	Lunar New Year	School Sports	Year 11 Guest Speaker
<p>Year 9 will be given the opportunity to take part in the CIE checkpoints for English, Science and Maths. Each of the subjects will have two papers and will be sat in April. Just like with our GCSE's, we find it beneficial to prepare our students with a mock exam and use the results and approaches to questions to support the final push towards the exam.</p>	<p>From 1:30 PM to 3:30 PM in the Hall, we will have our CNY Celebration! We will show vibrant performances by students from across all year groups, including martial arts displays, dances, sign language performances, and musical acts.</p> <p>Following the performances, there will be stalls, a Lion Dance and lucky draw. We look forward to celebrating this occasion with our school community!</p>	<p>On 12th February the school will host a house Chess competition for the budding Grandmasters that have been practicing their skills since term 1. Those leaders will win the opportunity to compete in an external competition in March</p> <p>On 14th February, Eaton will welcome Rocklin International School to the Sports Hall to compete against our very own basketball team.</p>	<p>Stephanie Cheah has been invited into Eaton to discuss leadership with Year 11. Stephanie worked as a Country Relationship Manager at StudyReach and as a Student Recruitment Manager at the University of Adelaide. In these roles, she led efforts to bring in more students from Malaysia, Singapore, Brunei and Thailand. Through her collaborative ethos and keen insight into student engagement mechanisms, Stephanie forged invaluable partnerships and elevated the university's prominence across pivotal markets.</p> <p>Stephanie has assisted many students in understanding the career pathway that suits them well. She enjoys interacting with students, staff, and parents from schools and sharing her experience as an International student when she is studying in the UK, Australia and Switzerland.</p>

If you have any questions regarding the Secondary School, please contact Mr. Smith at
