<p>Term 2 assessments will take place in an exam hall once again to build student confidence in the environment to support the necessity of it for Checkpoints and IGCSE's.</p> <p>Students in Year 11 will not take part in full subject exams but have the opportunity to take mock papers in exam conditions if desired.</p> <p>Year 9 students will have exams only in non-checkpoint subjects.</p>	<p>International Day is a special event celebrating the rich diversity within our school community.</p> <p>From 1:00pm, students and families will explore cultural stalls representing different countries, collecting stamps in their passports. The event will conclude with a Closing Ceremony featuring national dress presentations, student performances, and a showcase of talents.</p>	<p>The Secondary awards will take place in the afternoon to showcase student talents and also to reward outstanding efforts throughout the school.</p> <p>We hope that parents will be able to join in the celebration of students taking place from 1:50pm.</p>	<p>On March 27th we would like to continue our ongoing conversations about student progress with each student and parent.</p> <p>Parents are invited to the library to have discussions about the report grades and comments to support positive progress moving into the final term of the year.</p>	<p>On Tuesday 12th March we would like to welcome all parents to take part in a "Town Hall" meeting to raise any pressing issues about the school. Please submit any areas of focus to <a href="mailto:russell.s@eaton.edu.my">russell.s@eaton.edu.my</a> so that we can prepare answers or invite relevant people.</p>
