Tuesday	English Tuition Year 4	Mr Kieran	Year 4	During English tuition, children will be developing their speaking and listening, reading and writing skills. At the start of every session, the children will work on speaking and listening skills for approximately 20 minutes, before working with reading strategies and then they will have time to work on their targets for learning with support from a teacher. This is ideal for students who need more quality time with teacher support, in a smaller group setting. Once the children have completed their work, they can play word and grammar games, using the Smartboard and a range of game based resources, as well as completing challenges set by the ECA teacher. This will be by invitation by the teacher.	Academic progress
