February 7th:

Gong Xi Fa Cai! Chinese New Year at Eaton where we welcome the year of the mouse.

The mouse is known to be smart, nimble and filled with enterprising spirits – and we aim for the same with our students.

We invite all members of the Eaton community to our CNY event on February 7th:

- Venue: Sports Hall
- Student performance: 1:30PM
- Lion Dance at 3:00PM

February 11th – 14th:

Secondary swimmers will take part in a range of events as part of MSSS. Good Luck to all our young sportsmen and women!

February 15th:

Our Under 15 boys and girls basketball teams will compete in the ISSAM event. We are confident that it will be a slamdunk of an event for our young ballers at Japanese School.

February 19th:

February's coffee morning will focus on how we as a school make sure students are equipped with 21st century skills through embedding technology in the curriculum. We will also explain our coding classes in more detail.

- Venue: Library
- Time: 9:00AM

February 21st – 23rd:

Students taking part in our Duke of Edinburgh's International Award will head to Fraser's Hill, Pahang to complete their practice Adventurous Journey as they seek to compete their Bronze level awards. Working in teams students will camp, cook and hike over a challenging, but fun, weekend.

February 24th – 27th:

Eaton Athletes take part in a range of track and field events as part of the MSSD Competition
