July 1st, 8th and 15th:

For students and parents of Years 10 and 11 - Although we are not able to host our Higher Education Fairs on campus as planned we have arranged to host a number of talks by various higher education providers. Previous talks by Suisse Edu and Nottingham University were very well received. For more information please contact Mr Tom or our admin team.

July 8th:

Ms Charlotte, Head of English, invites students and parents of Year 9 to attend this Google Meet at 6PM to find out more about IGCSE English subjects.

July 23rd:

What a year it has been! We can hardly believe that it is the end of the academic year already. Classes will continue as normal until the final day of term before students head for a well-deserved break.

July 24th:

Although this term has been 'unusual' we are keen to keep things as normal as possible by ensuring you are provided with feedback about your son/daughter's progress in Term 3. Reports will be emailed out by Homeroom Tutors. Please ensure you have updated any changes to your email address with the admin team.

July 27th – August 31st:

School will be closed to students between July 27th and August 31st. We look forward to welcoming you all back on September 1st for a new term and year filled with new learning opportunities. For all enquires during this time, please contact the front office who will be happy to assist you.
